

# TST-90

## Testosterone Booster

(120 Capsules)

Turn-up your sex drive, performance, energy and stamina with Extreme ProFormance™ TST-90.

**Tribulus Terrestris** helps to improve sex drive, increase sperm count, enhance erections, boost stamina for sustaining sexual function, and helps prevent uro-genital infections. Research has shown that Tribulus increases levels of testosterone by increasing luteinizing hormone.

**Horny Goat Weed Extract** Based on a University of Milan Study, Horny Goat Weed Extract Increases blood flow to the penis and helps to improve sex drive. It is a natural NO2 Enhancer, with icariins, the active ingredient that helps combat ED.

**Maca Root Extract** As published in the April 2000 issue of Urology Magazine, Maca Root Extract Helps to improve sex drive/libido, Improves Sperm production, Improves Stamina, and Increases Erectile Response.

**L Arginine** is an amino acid necessary for the body to make proteins. L Arginine is converted into nitric oxide which causes blood vessels to open wider for improved blood flow. It helps to improve NO2 production and improves blood flow to the penis by relaxing surrounding muscles. L Arginine also stimulates the release of growth hormone and insulin.

**Yohimbe Bark extract** has been shown to increase libido and stamina. For decades it has been widely used to combat erectile dysfunction by improving blood flow to the penis. In addition, Yohimbe Bark extract acts as a mood stabilizer - boosting dopamine levels.

**Tongkat Ali** Based on a summary of clinical studies, Tongkat Ali has been shown to increase testosterone levels, increase libido, and improve stamina. Tongkat Ali improves lean body mass, reduces fat index, and increases the body's ability to adapt to rigorous exercise.

**Bioperine** aids the body in the absorption of nutrients and supports the immune system by regulating the inflammatory response. Bioperine increases the neurotransmission of serotonin and dopamine, and shows promise for its antidepressant and cognitive-enhancing effects.
