

EXTREME PRO-FORMANCE SUPPLEMENTS
A division of Andrologix Health & Wellness

ESSENTIAL VITAMINS

(60 Capsules)

Vitamins and minerals, once plentiful in the food supply, have been diminishing over the years as manufacturing processes have evolved to meet financial pressures. Studies have shown that as much as 70% of the population could be experiencing vitamin and mineral deficiencies that could adversely affect their body's healthy function and ability to resist disease.

Still, most people don't realize just how critical micronutrients are to their health. If the body doesn't get the vitamins and minerals it needs, cellular processes can run ineffectively impacting energy, hormone signaling, and immune system function.

Since the mid-20th century, people have been supplementing with vitamins and minerals which have relied heavily on the recommended daily allowance (RDA) established by the government right after World War II. Since then, both individuals and health care professionals have realized that, though maybe a decent baseline, the RDA is insufficient for supporting optimal health and an active lifestyle.

In contrast, Extreme ProFormance Elemental Vitamins are made in America with pharmaceutical-grade ingredients of the highest quality and purity; formulated to increase absorption, driving nutrients into the cells more efficiently.

Instead of promoting the latest nutritional fad, we focus on nutrients that are essential to achieving optimal health and maintaining a strong immune system. Good health and longevity require regular exercise, a healthy diet, and the kind of precise nutrient targeting you get from Extreme ProFormance Essential Vitamins.

So don't settle for "drugstore shelf" vitamins when you can fortify your body with a robust multi-vitamin formula based on cutting-edge research.

Vitamins essential to achieving optimal health and maintaining a strong immune system.

At Extreme ProFormance, we use only the highest-grade products under strict quality controls.

SUPPLEMENT FACTS

DIRECTIONS: Take four capsules once per day. Serving Size 4 Capsules/Servings Per Container 30

Vitamin A(85% [8,500 IU] retinyl palmitate, 15% [1,500 IU] natural mixed carotenoids) (10,000 IU)	3,000 mcg RAE
Vitamin C(as potassium ascorbate, magnesium ascorbate, calcium ascorbate, zinc ascorbate)	250 mg
Vitamin D3 (as cholecalciferol) (400 IU)	10 mcg
Vitamin E (as d-alpha tocopherol succinate) (100 IU)	67 mg
Thiamin (Vitamin B1) (as thiamin mononitrate)	20 mg
Riboflavin (Vitamin B2) (as riboflavin, riboflavin-5'-phosphate)	20 mg
Niacin (as niacinamide and niacin)	60 mg NE
Vitamin B6 (as pyridoxal-5'-phosphate)	20 mg
Folate (as 200 mcg 6(S)-5-methyltetrahydrofolic acid, glucosamine salt)	340 mcg DFE
Vitamin B12 (as methylcobalamin)	600 mcg
Biotin	1,000 mcg
Choline (as choline bitartrate)	40 mg
Calcium (as di-calcium malate, calcium bisglycinate chelate buffered, calcium ascorbate)	100 mg
Phosphorus (as pyridoxal-5'-phosphate, riboflavin-5'-phosphate)	4 mg
Iodine (as potassium iodide)	100 mcg
Magnesium (as di-magnesium malate, magnesium bisglycinate chelate buffered, magnesium ascorbate)	200 mg
Zinc (as zinc glycinate chelate, zinc ascorbate)	15 mg
Selenium (as selenium chelate)	100 mcg
Manganese (as manganese glycinate chelate)	0.5 mg
Chromium (as chromium nicotinate glycinate chelate)	500 mcg
Molybdenum (as molybdenum glycinate chelate)	50 mcg
Potassium (as potassium citrate, potassium ascorbate)	99 mg
Pumpkin (Cucurbita pepo) (seed) extract	50 mg
Saw Palmetto (Serenoa repens) (berry) extract	50 mg
Inositol	40 mg
L-Glycine	30 mg
L-Taurine	30 mg
L-Alanine	25 mg
Rutin	16 mg
Hesperidin	16 mg
Quercetin	12 mg
Lutein	75 mcg
Pantothenic Acid (as d-calcium pantothenate)	200 mg
Tribulus terrestris (aerial parts) extract	30 mg
Asian Ginseng (Panax ginseng) (root)	25 mg
L-Glutamic Acid	25 mg
L-Lysine hydrochloride	20 mg
Para-Aminobenzoic Acid (PABA)	20 mg
R-Alpha Lipoic Acid	10 mg
N-Acetyl L-Cysteine (NAC)	50 mg
N-Acetyl L-Carnitine hydrochloride	50 mg

Other Ingredients: Hydroxypropyl methylcellulose (vegetable capsule), magnesium oxide (buffering agent), magnesium stearate (vegetable), silica.

Does Not Contain: Milk, eggs, fish, shellfish, tree nuts, peanuts, wheat, soy.

Caution: Excess vitamin A intake may be toxic and may increase the risk of birth defects. It is also recommended that children under four should not regularly consume more than 750 mcg RAE (2,500 IU) per day. Keep out of reach of children.

Storage: Keep tightly closed in a cool, dry place.
